EPK 2027

LOUD. LIVE. STILL DANGEROUS.

July 2026: three arenas with **Scorpions** in Lyon, Paris and Strasbourg, nearly 11,000 people in Strasbourg alone. Then straight back to the clubs to headline. Arena-tested, club-hungry, and booking 2027 now.

THE SHOW

A power trio, screaming guitars, smoke, sparks, flares and real fire: a burning guitar, burning cymbals and a fire-breathing bassist. 40 minutes as support, up to two hours as headliner.

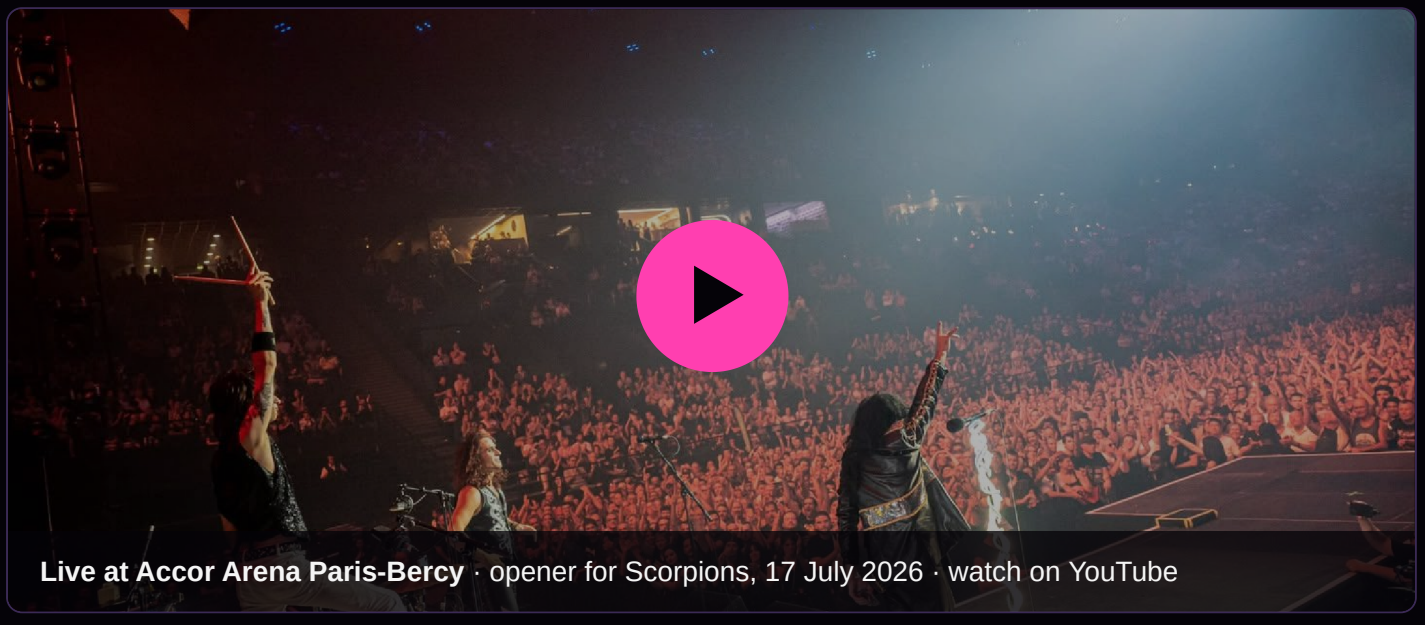

THE PEDIGREE

Geffen Records, Leber-Krebs management (AC/DC, Aerosmith), records cut with members of AC/DC and Montrose.

THE NEW STUFF

LiveDream, produced by Scorpions producer Dieter Dierks, now on vinyl and digipack via Necktwister.
